## Other Considerations

### Backyard Rentals

### Wedding Cakes

Please note: The person supplying your wedding cake is responsible for the storage and the set up of your wedding cake. Please arrange this in advance with your cake person so that they are aware of this. Loopy's will not be responsible for storing the cake or setting it up. Please talk to Loopy about your wedding cake details.

### Set Up & Clean Up Fees

Set up fees will be charged for our staff having to do any extra set up beyond the basic set up. This includes having Loopy's staff decorate/place tablecloth etc. that you have rented. Clean up fees will be charged for our staff having to do any extra cleaning beyond the basic clean up. All of these fees or conditions will be discussed in advance. No fees will be added to your bill without your knowledge. They are based on type of event and the amount of set-up/clean-up that is necessary. In the event that excessive clean up is necessary or damage has been done by your party - You will be notified and are responsible for the cost incurred.

## **Fees**

Please note that a 5.5% sales tax on food and an 20% gratuity on the total is added to all parties. All beverage pricing already includes sales tax. There is a \$75 fee for putting up the sides on the outdoor tents. Heaters are available for our outdoor events. They are \$20 per heater as needed.

## **Music**

We have room inside the building and underneath our tents for entertainment set up, or we have a stage in the back yard for entertainment set up - weather permitting. Bands and DJs are responsible for their own setups including but not limited to tables and extension cords etc.

## **Extras**

If you would like tablecloths or other decorations, Loopy's can supply them to you for a charge or you can get them yourself. Please talk to Loopy about questions on rentals. Please go over the options, put a list together of things that you would like and decide on the number of guests and whether you would like buffet style service or table service. We can also help to tailor a special menu if you have specific requests.

## **Reserving Space & Arrangements**

A deposit is needed to reserve your date for your event. A final head count is necessary 10 days before your event. Please remember that your final count is what you will be billed for. If you cancel your party more than 90 days in advance, there will be no charge. If you cancel your party between 10 & 89 days out, you will lose your deposit, unless another party books your date. If you do not show up for your party or cancel it within 10 days of your event, you will be responsible for the total amount of cost agreed upon to Loopy's due to the loss of revenue by any other rentals Loopy's could have booked in your event's place.
